Dr. T. Peter Worthy to Speak at Historical Society Meeting

T. PETER WORTHY, D.D.S., a lifelong resident of Carrollton and the fifth generation of his family in Carrollton, grew up in a house on Dixie Street where Worthy Park is located. His father, Dr. Steve Worthy, delivered hundreds of Carroll County babies during his decades practicing medicine in Carrollton.

He graduated from Emory University in 1973 and earned his D.D.S. degree from Emory University School of Dentistry in 1977. Dr. Worthy is a member of the Georgia Dental Association, the American Dental Association, and the West Georgia Dental Study Club. He is a fellow in the International College of Dentists, the American College of Dentists and is a member of the Pierre Fauchard Academy. Additionally, Dr. Worthy has served on the Board of Directors of Tanner Health Systems, Tanner Medical Foundation, the University of West Georgia Foundation, West Georgia Technical College, and Oak Mountain Academy. He and his wife Joan were married in 1977 and she has worked with him since he began his private practice. They are parents of two children and, in his spare time, Dr. Worthy is a lapidarist and enjoys studying military history and has an extensive knowledge of the Civil War.

Dr. Worthy will display his collection of medical and dental equipment used by Dr. G. W. Shaw, a Civil War doctor, and others. His years of personal experience in dentistry and family history in the West Georgia area assure that his presentation will be both interesting and informative.

The public is cordially welcomed. Light refreshments will be served.
